

You will be feeling so good that you will want to **shout it from the mountain-tops.**

Well we can't help you with that but we can help you announce it to the whole of Edinburgh, Scotland and beyond...

**How?** With a notice in our **Engagements** column of The Scotsman and a page created especially for you on our online **Family Announcements** site.

# Just got Engaged?

On your special page - your engagement notice will appear and you can upload your engagement photos (especially one of the ring) for all your family and friends, at home and abroad, to see. The happy couple can receive messages of congratulations from all their family and friends - they can edit the page regularly to include plans for the wedding as well as adding wedding gift lists etc. It acts as a record to the run up to the wedding that everyone can log onto and enjoy and have fun with in the months ahead.

Why not have a look at our website for yourself - log on to **www.scotsman.com** and click on the link to **Family Announcements.**
